Attention: Ms. Sheri Young, Secretary

Dear Madam:

**Re: Enbridge Pipelines Inc. ("Enbridge") Line 3 Replacement Project,
Application for Right of Entry pursuant to Section 104(2) of the National Energy
Board Act
Her Majesty the Queen in Right of the Province of Manitoba
Tract 4034.99 NE 11-9-27-WPM
File No. OF-Fac-Oil-E101-2013-09 01.**

Further to the Right of Entry Application filed by Enbridge as against Tract 4034.99, Her Majesty the Queen in Right of the Province of Manitoba, we write to advise that Enbridge is in receipt of the requisite approval to construct the Line 3 Replacement Project on the above noted lands. Accordingly, it is no longer necessary for the Board to adjudicate this Right of Entry Application. Enbridge therefore respectfully requests that they be withdrawn from the Board's repository.

Should you have any questions, please do not hesitate to contact me.

Yours truly,
