We are counsel to Chubu TT Energy Management Inc. ("Chubu TT"). Please find enclosed:

- (a) Chubu TT's application for authorization to export electricity (the "Application");
- (b) Copies of the letters sent to Hydro One and the Independent Electricity System Operator enclosing the Application and the Notice of Application and Directions on Procedure, along with a copy of the enclosures to these letters and proof of delivery of these letters;
- (c) A copy of the Canada Gazette pages upon which the Notice of Application and Directions on Procedure was published;
- (d) The tear sheets for the Notice of Application and Directions on Procedure as published in the January 10, 2015 edition of the Toronto Star and Le Droit; and
- (e) NEB filing receipt.

Further to our discussion with NEB staff, Chubu TT is providing the above documents after the NEB's 3 working day instruction in order to provide one complete package of the application documents, including the signed application.

Also, please note that further to the suggestion of NEB staff, Chubu TT has also sent the Application and the Notice of Application and Directions on Procedure to HQ TransÉnergie, New Brunswick Power and Manitoba Hydro. Copies of these letters, along with a copy of the enclosures to these letters and proof of delivery of these letters, are enclosed.

Yours truly,

McCarthy Tétrault LLP
