RE: Constellation NewEnergy, Inc.'s Export Permits EPE-264 and EPE-265

Constellation NewEnergy, Inc. ("CNE") was issued authorization to export firm power (EPE-264) and interruptible power (EPE-265) by the National Energy Board for the time period of April 29, 2005 through April 28, 2015. CNE no longer requires these permits and will allow them to expire without renewal effective April 28, 2015.
