

Roseau River First Nation

Highway Six Urban Reserve

Highway 6 is the fourth busiest highway in Manitoba. There are 36 reservations located to the north travel down this highway to Winnipeg. There is 2 Billion dollars in commerce that drives down Highway 6 each year from the Northern communities.

Highway Six is a goldmine. If there was a mall in place at this location it would generate between 400-500 million dollars worth of Sales and RRAFVN would receive 40-50 million dollars back to the community.
