Dear Madam Secretary:

**RE: Enbridge Pipeline Inc. – Line 10 Westover Segment Replacement Project
NEB File No. OF-Fac-Oil-E101-2015-09 02; Hearing Order OH-001-2016
Our File No. 17858**

We are the lawyers for the Copetown Landowners Group (“CLG”) in the above noted proceeding. On September 14, 2016, Enbridge advised the NEB that it has re-evaluated its route for the Line 10 Westover Segment Replacement Project through the Copetown, Ontario area and filed with the NEB a revised route that follows the existing Hydro One Networks Inc. electrical transmission corridor. This revised route does not affect the properties owned by CLG members and is supported by CLG’s members. As such, CLG is hereby withdrawing from further participation in the OH-001-2016 hearing process.

We trust this is satisfactory. If you have any questions or concerns, please email or call me.

Yours truly,

SCOTT PETRIE LLP
LAW FIRM
