National Energy Board
517 Tenth Avenue SW
Calgary, Alberta
T2R 0A8

Filed Electronically

Attention: Ms. Sheri Young, Secretary of the Board

Dear Ms. Young:

**Re: TransCanada Keystone Pipeline GP Ltd., as general partner on behalf of
TransCanada Keystone Pipeline Limited Partnership (Keystone)
Filing of Keystone Pipeline System NEB Tariff No. 24**

Pursuant to Section 60(1)(a) of the *National Energy Board Act*, Keystone files the enclosed international joint rate tariff (IJT), NEB Tariff No. 24, to be effective on November 10, 2016.

Keystone is adding a new toll for Shippers to tender volumes to the new Sour Lake interconnect facility.

There are no changes being made to Keystone's rules and regulations as a result of these proposed changes. All tolls remain unchanged. This IJT is concurrently filed with the Federal Energy Regulatory Commission in the United States as FERC No. 7.3.0.

Keystone concurrently provides notice of this filing to Keystone Pipeline System shippers and interested parties.

Should the Board require additional information regarding this filing, please contact me by phone at (403) 920-2918 or by email at julie_kemp@transcanada.com.

Yours truly,

**TransCanada Keystone Pipeline GP Ltd.,
as general partner on behalf of TransCanada
Keystone Pipeline Limited Partnership**
