1 This hearing

1.1 An overview

The National Energy Board (NEB or the Board) has a responsibility to regulate the construction and operation of certain interprovincial and international pipelines and power lines. We are a three member Panel of the Board who will make recommendations and decisions on whether the Albersun Pipeline Asset Purchase Project should proceed or not and under what conditions.

NGTL has applied to us for permission to purchase certain assets, currently owned by Suncor Energy Logistics Corporation (Suncor), to become part of the ongoing operations of the NGTL System (Application or Project).

We will hold a written process to consider whether to recommend approval of this Project. During the written process we will receive written evidence which can be found on our website. There are various ways we gather and test evidence during this hearing. We will review and consider all of the evidence on the record before we make our recommendations and decisions. We rely only on the evidence on the record.

We will release a report setting out our recommendations and decisions to the Governor in Council. This Report will take into account whether the Project is required for the present and future public interest.

The steps and deadlines in the hearing, as outlined in this document, are important to make sure the hearing is fair, transparent and efficient, and provides certainty to all participants.

1.2 What did NGTL apply for?

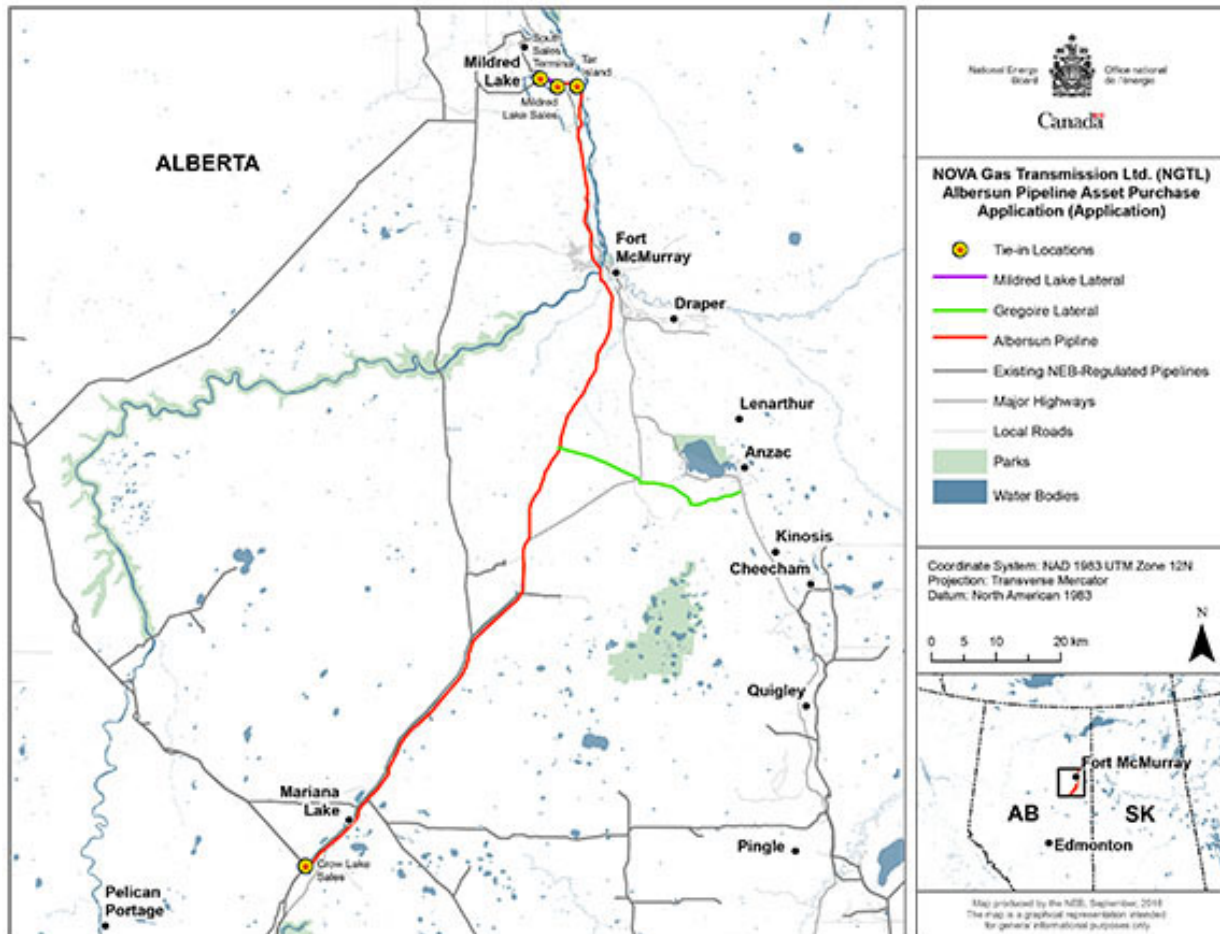

On 27 April, 2016, NGTL applied under sections 47, 52, 59 and 74 of the NEB Act requesting leave to purchase and related approvals to operate the Albersun Pipeline currently owned by Suncor. There is no new pipeline construction involved in this application.

The Project includes:

- Approximately 179 km of pipeline;
- The Mildred Lake East Sales Meter Station;
- Miscellaneous facilities on the pipeline and the pipeline right-of-way (ROW); and
- Miscellaneous Suncor interests necessary for NGTL's ownership, operation and maintenance of the Albersun Pipeline, including the land rights associated with the Albersun Pipeline ROW.

Together, this is known as the Project.

1.3 Where is this Project located?

1.4 What is this document about?

This document is a hearing order and explains:

- your options to participate in or observe the hearing
- steps and deadlines
- procedures
- where you can get more information, and
- the issues we propose to consider.

1.5 Where can I see NGTL's Application and get more information about the Project?

If you have Internet access, you can find the application on our website. If you don't have Internet access, you can find the application in the locations listed in Appendix II. You can also ask NGTL for a copy.

You can find all documents filed in the hearing on our website. The only exceptions are when a document is too large or we have approved it as confidential information. Appendix III shows how hearing documents are organized online and includes tips for using our website.

1.6 Where can I get help or more information?

Our website has helpful publications about the hearing process and the energy industry in general. Section 5 has information about other sources of help, including Board staff names and contact information.

2 Participation

2.1 Can I participate in this hearing?

The Board determined who will be allowed to participate in the hearing after holding an application to participate process between 7 October and 31 October 2016. The List of Participants in this hearing is attached to the Board's 16 November 2016 letter. There are two methods of participation: Commenters and Intervenors.

2.2 How can I stay informed of the hearing?

Anyone may observe the hearing process. You can observe the hearing process by:

- reading information about this hearing on our website – see Appendix III
- reading the evidence that has been filed on the public registry

2.3 What do I write in my letter of comment?

If you applied and were approved by us to be a Commenter, you are allowed to file one letter of comment. It will be placed on the online public registry, will form part of the hearing record, and the Board will read and consider it. Any additional letters or submissions will not be included on the record or considered.

As a Commenter, you do not have the right to ask questions about the evidence or present argument.

Commenters will not be notified of, or receive documents that are filed on the online public registry. You will need to monitor the registry if you wish to remain aware of new filings on the record. If you apply and are approved by us, you can become a Commenter and tell us your views by writing us a letter of comment. Your letter of comment should include:

- your name, mailing address, and phone number
- the name of your organization, if you represent one
- hearing number GHW-001-2016 and file number OF-Fac-Gas-N081-2016-04 01
- comments on how you will be impacted positively or negatively by the Project; and
- any information that explains or supports your comments

Your letter of comment becomes part of the public registry. You will not be able to ask questions about other Participants' evidence or make a final argument.

2.4 What is an Intervenor?

Being an Intervenor is the most involved way to participate. It requires a commitment of time and may involve some costs to prepare your evidence and send documents to Participants. It allows you, among other things, to:

- submit written evidence
- ask questions in writing about others' evidence
- submit and respond to motions, and
- make a final argument.

If you give evidence, you must:

- in writing, answer any written questions about your evidence.

Intervenors will be notified of, or receive all documents that are on the public registry [\[Folder 2955092\]](#). This includes the Application, evidence, notices of motion and all related materials. You can find the public registry on our website. For more information on how to find documents on our website, see Appendix III.

2.5 What is a Government Participant?

Government organizations at federal, provincial, territorial and municipal levels may apply to participate as Government Participants. The role of a Government Participant is identical to that of an Intervenor, except that:

- while you may question NGTL on matters related to the List of Issues, you need Board approval to question Intervenors and other Government Participants; and NGTL and Intervenors need Board approval to question you, as a Government Participant orally at the hearing.

2.6 Can I withdraw?

If you are approved to be a Participant, you may withdraw at any time in the hearing process by telling us in writing.

3 Steps in the hearing

This section describes the steps in the hearing process. Appendix III shows the timetable of events and deadlines.

By **16 May 2017** we will submit our Report to the Minister of Natural Resources Canada. This includes our recommendations on whether the Project should proceed and under what conditions. We notify all Participants and post the Report on our website.

4 Procedures

This section describes how to submit documents, the deadlines, and other procedures.

4.1 How do I prepare documents?

Every document you file with us or serve on NGTL, Intervenor or Government Participants must refer to Hearing Order GHW-001-2016 and File No.OF-Fac-Gas-N081-2016-04 01.

Address the document(s) to the proper Participant. For example, anything to be filed with us should be addressed to the Secretary of the Board. Documents specifically for others should be addressed to them using the list of Participants as a guide.

Number the pages of your document consecutively, including blank pages, so the electronic page numbers match the page numbers that show on your document. Also, please use the latest version of Adobe Acrobat.

Except for online forms, sign any document you file with us.

If you refer to information on a website in your document:

- insert a direct link or a reference to the website, so anyone accessing the website can know the exact information you are referring to
- make sure the reader does not require a password or subscription to get the information, and
- file a hard copy with us of all the information you are referring to.

4.2 How do I file documents with the Board?

All documents submitted to the Board become part of the public registry. We require you to file your documents through the NEB Participation Portal using your online [NEB Account](#) or by using e-file.

Submit Documents using Participation Portal

To file your documents using your online NEB Account, you must follow these steps:

- Prepare your documents as explained in section 4.1.
- Sign into your [NEB Account](#) using your GCKey user ID and password, which you created when you applied to participate.
- You should see the Welcome Portal page, click “continue”.
- You will see a list of the hearings you can participate in. Locate “Albersun Pipeline Asset Purchase Project Hearing”, click on “Submit Documents Electronically” and follow the instructions.

- Under Step 8 - “Service Options and Submission of Complete Form”, you may choose to have the Participation Portal send an Automated Service Notification on your behalf by email to all Intervenors who have provided a valid email address. To make use of this service, click on “Yes, I want to use the Participation Portal’s Automated Service Notification option for all Participants who have provided an email address.”

Note: The Board will accept this Automated Service Notification as equivalent to the service required under the Rules. If you do not wish to use the Automated Service Notification option, you are required to serve all Participants yourself using any of the methods allowed under the Rules (i.e., email, facsimile, courier, regular mail or hand delivery). **The Participation Portal cannot serve Participants who have not provided an email address; it is your responsibility to serve a hard copy of your submission on any Participant who has not provided an email address.**

- Once you have completed your submission through the Participation Portal, you will receive two emails:
 - your filing receipt where you need to verify your attachments; and
 - important instructions including the contact information of the Participants who have not provided an email address and for whom you must serve a hard copy of your submission.

Submit Documents using e-file

To e-file documents, you must follow these steps:

- Prepare the document as explained in section 4.1.
- Go to our website, www.neb-one.gc.ca. Under “Applications & Filings”, click on “Submit Applications and Regulatory Documents” and follow the instructions. Refer to the [Filers Guide to Electronic Submission](#) on our website for more information. You will receive an email containing a submission receipt. Print the submission receipt and sign it.
- Send one hard copy of the e-filed document(s) and one hard copy of the signed submission receipt to us by mail, hand delivery or courier. See section 5.1 for our contact information.

Please note that you cannot e-file or submit documents by way of e-mail. For more information see Appendix III.

4.2.1 What if I can’t file my documents through the Participation Portal or e-file?

If you cannot file your documents through the Participation Portal or e-file your documents, you may submit documents in person, or by mail, fax or courier.

- Prepare the document as explained in section 4.1.
- Hand deliver, mail, fax, or courier one copy of each document to us. See section 5.1 for our contact information.

4.2.2 Who can help me with submitting my documents?

Contact the Regulatory Officer. - see section 5.3

4.3 How do I serve documents on others?

When you are required to serve documents, you must send one copy to NGTL and its counsel, and to each Intervenor and Government Participants on the List of Participants. The method of service for each Intervenor or Government Participant will be indicated on the List of Participants.

NGTL, Intervenor and Government Participants who can access documents on our website must be notified by email when a document has been filed. To do this, create a list of email addresses from the List of Participants and send an email to this list indicating that the filing is available on the Board's website.

If the List of Participants indicates an Intervenor or Government Participant is unable to access electronic documents, you must provide that person with a hard copy.

If your document cannot be scanned, for example, if it is too large, you must mail, fax, courier or deliver by hand one copy to us and to NGTL, all Intervenor and all Government Participants. Board staff will put an electronic placeholder on our website. A placeholder indicates a document has been filed in hard copy (and is available in our library) but cannot be viewed or searched online.

You can contact our Regulatory Officer for assistance with e-filing your documents. For questions about serving documents, see Section 5.3.

4.4 What if I cannot meet a deadline?

Our deadlines are set to provide fairness, efficiency and certainty to all participants. We encourage participants to e-file documents, or to use fax or courier so others receive documents on time.

When you must submit documents by a certain deadline, the intended recipient must receive the documents by **noon, MDT, on the date of the deadline**.

Late filings will not be accepted, except with our permission. If you cannot meet a deadline, you must write to us to request an extension. We will then decide whether to grant your request by considering:

- the reason why you cannot meet the deadline
- whether your submission is likely to assist us
- whether others have made, or could have made, similar submissions
- whether other Participants could be disadvantaged as a result of the late submission, and
- any other relevant considerations.

4.5 How do I raise a question of procedure or substance that requires a Board decision?

If you want to ask us to do something, such as asking us to consider a change to the process, you must submit a request to us. This is called a Notice of Motion.

The Notice of Motion must include:

- a concise statement of the facts
- the grounds for the request
- the decision or relief requested, and
- any information which supports the request.

The Notice of Motion must:

- be in writing
- be signed by the person making the motion or an authorized representative
- be divided into consecutively numbered paragraphs
- be filed with us, and served on NGTL, Intervenor and Government Participants, and
- be filed separately from any other correspondence.

If you are relying on case law or other authorities to support your position, you must submit a book of authorities and highlight the specific passages you are relying on. You must submit a copy to us and send a copy to NGTL, and all Intervenor and Government Participants.

For further information on motions, see section 35 of the *National Energy Board Rules of Practice and Procedure*, 1995 (the Rules). The Rules can be found on our website, see Appendix III.

4.6 Will you keep my evidence confidential?

All evidence we accept for this hearing will be on the public registry unless you file a Notice of Motion to keep your evidence confidential under sections 16.1 or 16.2 of the NEB Act and we accept your request for confidentiality.

4.7 Where can I go for more detailed information about the hearing procedures?

The Rules provide detailed information about the hearing process; however, in the event of a discrepancy between the Rules and this Hearing Order, this Hearing Order prevails.
