Board Proceeding RHW-002-2016
Alliance Pipeline Ltd., as General Partner of the Alliance Pipeline Limited
Partnership (Alliance)
Application for Review and Variance of the National Energy Board 21 July 2016
Letter Decision regarding the Prior Period Adjustment Fee
Ruling No.1 – Participation

On 16 November 2016, the National Energy Board (Board) issued a letter granting Alliance a review of the Board's 21 July 2016 Letter Decision regarding the prior period adjustment fee. The letter also set out key steps in the review process in a Timetable of Events. Those persons who were interested in participating in this process were directed to apply to the Board. To apply, applicants were required to submit a letter to the Board briefly explaining their interest in the review of the Letter Decision by 23 November 2016.

The Board received applications from 10 interested persons. In this letter, the Board is issuing its ruling on participation in this proceeding as well as a list of participants. The Board is of the view that all persons who applied would be sufficiently impacted by the Board's decision, that their participation would assist the Board in reaching its decisions in this proceeding, or both. Consequently, the Board has decided to grant participation as intervenors to all of the applicants.

Appendix I to this letter sets out the interested persons that have been granted status to participate in this proceeding (List of Parties). As intervenors, those persons may participate in each process step in the Timetable of Events that is applicable to intervenors, including serving information requests on Alliance and filing evidence and final argument.

For the remainder of this proceeding, each party must serve its submissions on all persons in the List of Parties. Those who appear on the List of Parties should advise the Board of any change in their contact information. The List of Parties will then be amended accordingly.

Questions about this process may be addressed to Kiril Dumanovski, Counsel, at 403-221-3409, or toll free at 1-800-899-1265.

Yours truly,
