Dear Ms. Young:

**Re: Hearing Order No. RHW-002-2016
Alliance Pipeline
Prior Period Adjustment Fee**

Repsol Oil & Gas Canada Inc. (ROGCI) is in receipt of a letter of today's date by Alliance Pipeline Ltd. (Alliance) to the National Energy Board (Board) requesting that the Board suspend the schedule of the RHW-002-2016 proceeding in order to allow Alliance and the Canadian Association of Petroleum Producers an opportunity to pursue a potential resolution of the Prior Period Adjustment Fee (PPA) issue.

ROGCI supports the request as set out by Alliance in its letter.

Yours truly,
