Filed Electronically

National Energy Board
Suite 210, 517 Tenth Avenue SW
Calgary, Alberta T2R 0A8

Attention: Ms. Sheri Young, Secretary of the Board

Dear Ms. Young:

**Re: TransCanada PipeLines Limited (TransCanada)
Mainline System Quarterly Surveillance Report
For the Third Quarter Ended September 30, 2016 – Revised Schedule 3.1**

Enclosed for filing with the Board is a revised Schedule 3.1 TransCanada's Mainline Quarterly Surveillance Report for the period ended September 30, 2016 that includes minor corrections to the information previously reported in rows 23, 24 and 25. The revisions are also intended to correct the same values reported for prior 2016 periods, as applicable.

Should the Board require additional information regarding this filing, please contact me by phone at (403) 920-4512 or by email at eman_tadayoni@transcanada.com.

Yours truly,
TransCanada PipeLines Limited

Note:

(*) Actual throughput is based on commodity volumes invoiced by class of service.

(**) TransCanada has also provided physical throughput to Canadian and Export markets. As a result of customer contracting patterns, physical deliveries are a more precise measure of system utilization than volumes invoiced by class of service.
