Connection to Project Issues

6. The appropriateness of the general route and land requirements for the Project.
7. Potential impacts of the Project on Aboriginal interests.
8. Potential impacts of the Project on landowners and land use.
10. Contingency planning for spills, accidents or malfunctions, during construction and operation of the Project.
12. The terms and conditions to be included in any recommendation or approval the Board may issue.

The Fort St John Metis Society is an aboriginal group that is directly affected. We have community insights and traditional knowledge about the proposed project. We have an interest in potential project impacts on treaty lands, settlement lands or traditional territories and or related claims and rights. We plan to provide expert information that is relevant to the mandate of the NEB and the proposed project. The project area is in our traditional use area. Our input is necessary to fulfill the mandate of the NEB as it concerns the proposed project.
