

ORDER MO-010-2017

IN THE MATTER OF the *National Energy Board Act* (NEB Act) and the regulations made thereunder; and

IN THE MATTER OF an application made by Trans Mountain Pipeline ULC (Trans Mountain), pursuant to section 44 of the *National Energy Board Onshore Pipeline Regulations* (OPR), dated 22 December 2016 filed with the National Energy Board (Board) under File OF-Fac-Oil-T260-2016-02 01.

BEFORE the Board on 21 February 2017.

WHEREAS the Board received an application from Trans Mountain, pursuant to section 44 of the OPR, dated 22 December 2016 to maintain an approximate 625 meter segment of pipeline at Trans Mountain's Edmonton Terminal in a deactivated mode for 12 months or more (Project);

AND WHEREAS the information about the Project is set out in Schedule A, attached to and forming part of this Order;

AND WHEREAS the Board received a subsequent filing from Trans Mountain, dated 25 January 2017;

AND WHEREAS the Board has had regard to all considerations that are directly related to the Project and relevant, including environmental matters;

AND WHEREAS the Board has examined the application and subsequent filing and considers it to be in the public interest to grant the relief requested by Trans Mountain;

IT IS ORDERED that, pursuant to section 44 of the OPR, the applied-for Project, as specified in Schedule A, is approved subject to the following conditions:

1. Trans Mountain shall comply with all of the conditions contained in this Order unless the Board otherwise directs.
2. Trans Mountain shall deactivate and maintain the approximate 625 meter segment of pipeline in its deactivated state in accordance with the specifications, standards, commitments made and other information referred to in its application or in its related submissions.

.../2

3. Trans Mountain shall implement or cause to be implemented all of the policies, practices, programs, mitigation measures, recommendations, procedures and its commitments for the protection of the environment included in or referred to in its application or in its related submissions.
4. Within 30 days of the date that the deactivation is completed, Trans Mountain shall file with the Board a confirmation that the Project was completed in compliance with all applicable conditions in this Order. If compliance with any of these conditions cannot be confirmed, Trans Mountain shall file with the Board details as to why compliance cannot be confirmed. The filing required by this condition shall include a statement confirming that the signatory to the filing is the accountable officer of Trans Mountain, appointed as Accountable Officer pursuant to s. 6.2 of the OPR.
5. Unless the Board otherwise directs prior to 21 February 2018, this Order shall expire on 21 February 2018 unless the Project has commenced by that date.
